

Review 2

Mission 1

42 **1** Read and change the verbs into the past simple and complete the text.

Last night in the Kingdom of Good...
... there was a big party at the castle in the Kingdom of Good.

King Nick (1) **invited** everyone in the Kingdom, so lots of people (2) _____ to the castle to celebrate the king's birthday. There was music, food and drinks for everyone, so the servants in the castle (3) _____ lots of chores to do yesterday. Some of them (4) _____ very early in the morning to go shopping. When they finished, they put everything on horses. More than 25 horses (5) _____ the products to the castle. Some others cooked for five hours because they had to do it for more than 500 people. Wow!

In the end, the servants (6) _____ and played some traditional songs and everybody (7) _____ champagne and danced all night. The king was happy and he (8) _____ everyone loved him. The king decided to read some words he (9) _____ the night before. After that, he (10) _____ he wanted to thank everyone for coming to the party and he (11) _____ all of them books for free, so everybody could learn about some other fairy tales in other Kingdoms around the world.

That night was special and the king (12) _____ very well and thought before going to bed: "I have the best kingdom with the best people, so I might give everyone the possibility to travel and meet other people and cultures". That was a great decision, don't you think?
